

2020-2021 ALL OUT CHAMPIONSHIPS COVID PLANS

At All Out Championships, the safety of our athletes, coaches, spectators and staff is the utmost important factor when it comes to producing events. Throughout the coronavirus pandemic, we have worked tirelessly to ensure a safe return when the time comes. We will continue to evaluate and update our safety measures as the coronavirus pandemic evolves. All Out Championships is proud to produce events in many cities and will work closely with each venue's task-force to ensure every safety standard is exceeded! In order for us to safely return, we will continue to follow local health officials and the Center for Disease Control {CDC} guidelines. After collaborating and working within small focus groups, we all know that the sport will look much different. But we can absolutely help get our youth back to cheerleading this season.

Here are a few of the ways that we have made changes to ensure less contact for a safer experience:

- Options for advanced ticket sales at select events, where permissible by the venue.
- Live streaming of events
- Familial style seating in certain venues
- Reduced capacity by hosting smaller sessions of teams
- Traffic flow changes and easy-to-follow traffic patterns to ensure paths are easy to follow
- Constant cleaning of all high-touch surfaces
- EPA-registered, environmentally friendly disinfectant
